To: Workforce Investment Board
From: Bryan Rogers, Executive Director
Subject: 2008/09 Annual Statements of Economic Interests (Form 700)

Background

We have received notice that the filing period for ***Annual Statements of Economic Interests*** is upon us. This filing requirement applies to all WIB members.

In past years, filing was done through the Long Beach City Clerk's office. However, as our local area was modified to include the cities of Torrance and Lomita, the WIB is now considered multi-jurisdictional and filing must be done through the County of Los Angeles Board of Supervisors.

To assist in understanding the requirements and process, Assistant City Attorney Heather Mahood will join our meeting and provide an overview.

For your reference and use, attached are the Form 700 Statement of Economic Interests (containing Form 700, all applicable scheduled, and instructions) and Reference Pamphlet. Additional copies of the Form 700 and schedules may be obtained at www.fppc.ca.gov

You may obtain assistance concerning reporting, prohibitions and restrictions under the Political Report Act by calling the Fair Political Practices Commission at 866/ASK-FPPC (866-275-3772). Also, should you have questions you would prefer to discuss in private, please feel free to contact Heather Mahood at (562) 570-2210 or Heather_Mahood@longbeach.gov

Action Required

- Complete Form 700 and any applicable schedules.
- Submit the **originals** to Suzanne Gordin **no later than March 25** at 3447 Atlantic Avenue, Long Beach 90807.

Your assistance in this matter is very much appreciated.
